Clarencedemedeiros7@gmail.com | 857-312-7517 | LinkedIn

EDUCATION

Worcester Polytechnic Institute - Worcester, MA

Pursuing Bachelor of Science in Mechanical Engineering | Varsity Track and Field **Expected 2029**

Relevant coursework: Introduction to Dynamic Systems, Fluid Mechanics, Manufacturing Science Prototyping and Computer-Controlled Machining, Introduction to Thermodynamics, Stress Analysis, Introduction to Static Systems

EXPERIENCE

Head Coach - Woodland Golf Club (Newton, MA) **Jun 2025 - Present**

- Implemented self-made training plans for 20+ divers on a daily basis
- Judged divers at competitions; created personalized diving sheets for each athlete
- Managed member/guest check-ins, and pool and facility operations including inventory
- Served as a lifeguard and followed pool opening/closing procedures

Crew Member - Dunkin' Donuts (West Newton, MA) **Jun 2023 - Aug 2025**

- Managed inventory deliveries by receiving, labeling, and organizing stock
- Operated the cash register, prepared food and beverages
- Assisted in training new employees to promote efficiency

TECHNICAL PROJECTS & EXPERIENCE

Formula SAE (FSAE) – Drivetrain Subteam Member **Aug 2026 - Present**

- Training in the design and assembly of drivetrain components for collegiate racing vehicle
- Gaining hands-on experience using university machine shop equipment, including the laser cutter, mill, lathe, and other industrial machines
- Building fabrication skills for future custom piping and mechanical part production

High Power Rocketry Club (HPRC) – Mechanisms/Avionics Subteam Member **Aug 2026 - Present**

- Developing CAD models for the active airbrakes and avionics bay system
- Training in using lab equipment, machines and software

SKILLS & AWARDS / CERTIFICATIONS

Software: SolidWorks, Onshape, Slicer (3D printing), MATLAB, RStudio
Certifications/Awards: Certificate of Engineering (Newton North High School), National African American Recognition Program Scholar, Price Meropol McMahon Award (Woodland Golf Club)
Languages: English, French, Spanish

ADDITIONAL INFORMATION

Academic: FEM - Linear, Non-Linear Analysis & Post Processing, Calculus Project (Jul 2022 - Jul 2025)
Activities: Track and Field (HJ, TJ, Sprints), Lambda Chi Alpha Initiated Member
Interests: Basketball, Diving & Swimming, Guitar
